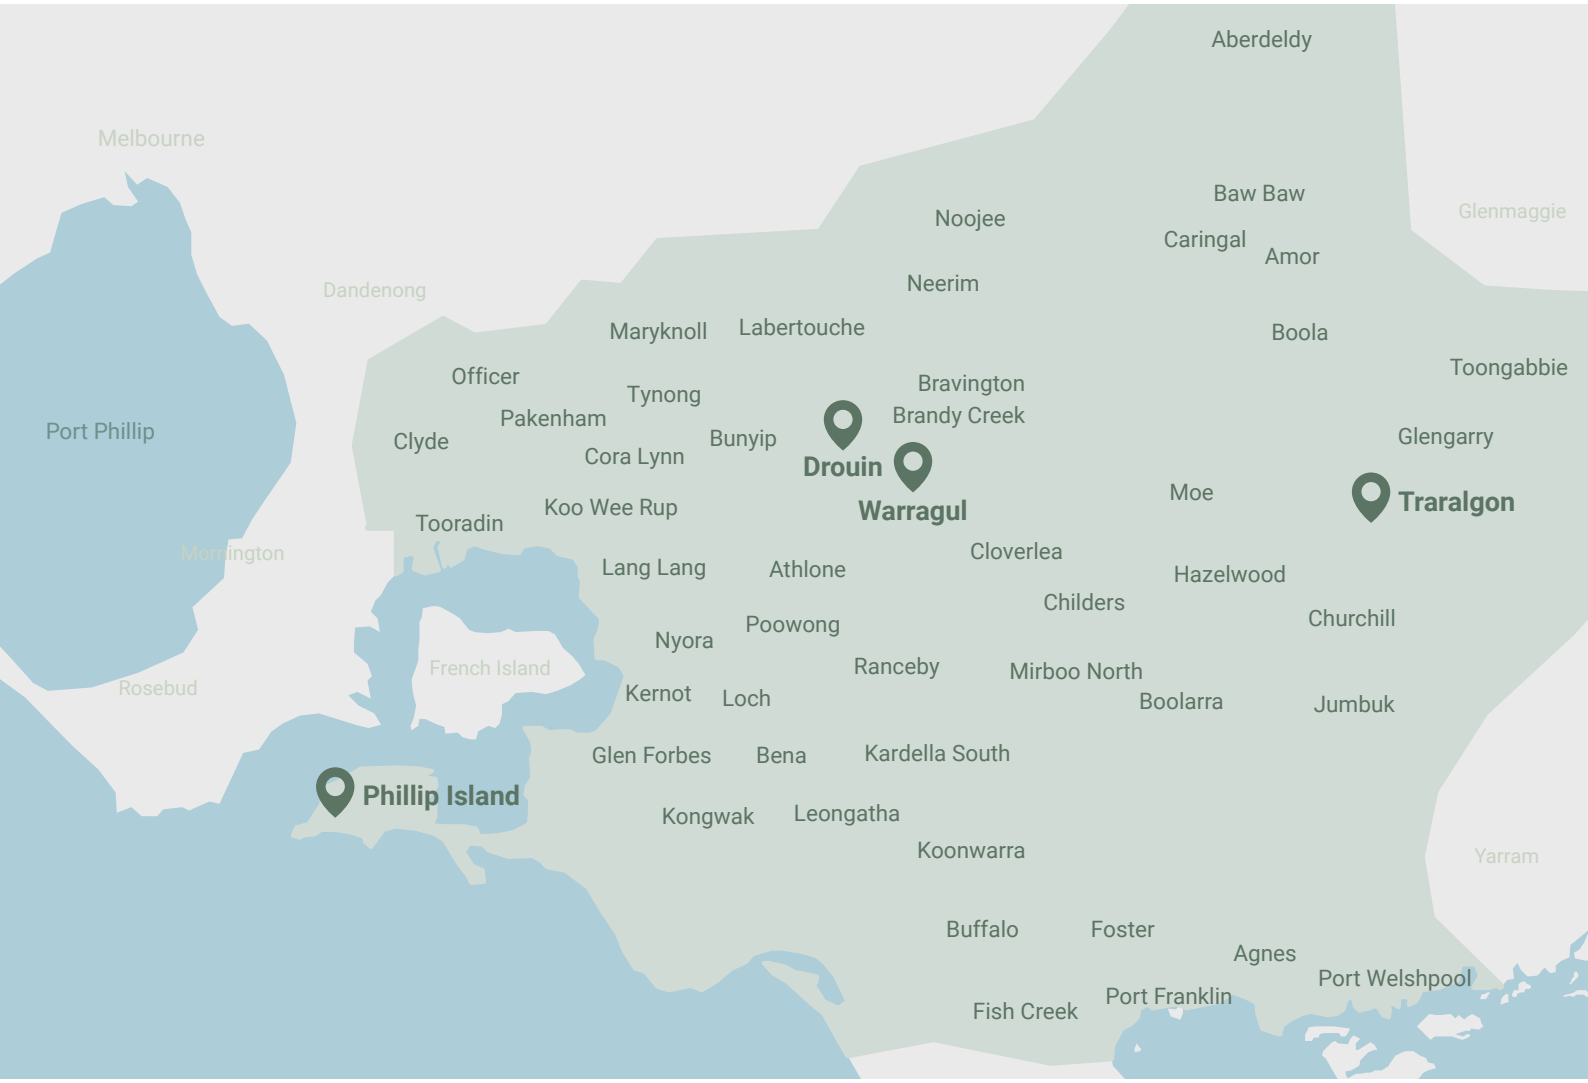
ARKADIAN Homes

Where We Build

Arkadian Homes is a family run business that designs and builds modern Australian homes within the Warragul, Drouin and surrounding areas of Victoria.

Celebrating the unique ways in which each family lives, we craft liveable spaces that celebrate the heart and soul of each household. We pride ourselves on delivering solutions that fit your family's specific lifestyle, aspirations and budget, because at Arkadian Homes we always find a way. That's why we provide a selection of beautiful, predesigned homes with the opportunity to tailor the floor plan, orientation or finishes to your personal style.

With Arkadian Homes building a home is always personal, that's why we are dedicated to ensuring every house feels like home.



Feels Like Home

A full list of suburbs in which Arkadian Homes builds homes is outlined below. We are always welcome to discussing your home vision with you and at times consider building in areas outside of these key locations. To discuss how we can work with you to make your dream home a reality get in touch with the head office or visit our display home.
